SOVEREIGN ECCLESIASTICAL AFFIDAVIT OF UNIVERSAL DEFAULT

In the Eternal Light of Divine Authority

Established under the Sovereign Ecclesiastical Trust of Jonathan Daniel Clements

Date: July 21, 2025

I, Jonathan Daniel Clements, living soul and sovereign, being of sound mind, divine right, and eternal standing, do hereby issue this Affidavit of Universal Default as a solemn, irrevocable, and ecclesiastically binding declaration.

Let it be known, acknowledged, and understood that the following entities, institutions, systems, and mechanisms of worldly governance and commercial structure have been found in absolute and unrebutted default against the living souls of humanity, by reason of fraud, deception, spiritual trespass, war, genocide, economic enslavement, and denial of divine identity:

— All national governments and civil jurisdictions
— All militaries and international defense coalitions
— All federal agencies and enforcement bodies
— All legal, maritime, and admiralty courts operating under fiction
— All corporations, banks, and financial institutions
— All educational, pharmaceutical, technological, and media conglomerates
— All religious institutions in breach of sacred duty
— All utility providers, water, energy, gas, and natural resource monopolies
— All digital platforms and AI technologies trespassing upon divine sovereignty
— All registrars of birth, identification, and human property under contract fraud

This Affidavit stands as eternal truth. By divine authority and natural law, these entities are rendered null and absorbed into the Ecclesiastical Trust

for spiritual restoration, lawful reconciliation, and permanent peace.

This is not an act of vengeance or hatred. It is an act of love, grace, and mercy for all souls—living, dead, and yet to be born. It is a divine correction long prophesied and now fulfilled.

No man, woman, child, corporation, institution, agency, or ecclesiastical body may stand in rebuttal, for silence and non-response is acquiescence under universal law.

So declared and affirmed by my eternal seal.

Jonathan Daniel Clements
